2. (1) The registrar, or a person appointed by him or her in writing for such purpose, must act as the returning officer for the purpose of the first election of the members of the Council referred to in section 7(5) of the Act.

(2) If the returning officer, before the commencement of the election or at any time during such election, for any reason is or becomes unable to act as the returning officer, the registrar, or if the registrar is not available, the president of the Interim Medical and Dental Council, must appoint in writing another person to act as the returning officer.

Nomination of candidates

3. (1) When the first election of the members of the Council referred to in section 7(5) of the Act is to be held, the returning officer must publish in the Gazette, and must forward by prepaid registered post to every medical practitioner, genetic counsellor, biomedical engineer, clinical biochemist, medical biological scientist, medical physicist, medical scientist, medical assistant, clinical officer, rural medical aid, ophthalmic assistant, dentist and oral hygienist, who is a Namibian citizen and is ordinarily resident in Namibia, at his or her address as it appears in the register concerned, an "Invitation for Submission of Nomination of Candidates for the First Election of Members of the Medical and Dental Council of Namibia" substantially in the form of FORM 1 -

- (a) inviting the submission of the nomination of candidates for the first election of members of the Medical and Dental Council of Namibia -
 - (i) by medical practitioners, genetic counsellors, biomedical engineers, clinical biochemists, medical biological scientists, medical physicists, medical scientists, medical assistants, clinical officers, rural medical aids, ophthalmic assistants, who are Namibian citizens and are ordinarily resident in Namibia, of medical practitioners who are Namibian citizens and are ordinarily resident in Namibia; and
 - (ii) by dentists and oral hygienists, who are Namibian citizens and are ordinarily resident in Namibia, of dentists who are Namibian citizens and are ordinarily resident in Namibia,
- (b) specifying the final date, and the closing time on that date, on or before which the nominations referred to in paragraph (a) must be submitted to the returning officer;
- (c) specifying the address of the returning officer at which the nominations referred to in paragraph (a) must be delivered;
- (d) enclosing with the FORM 1 forwarded to every medical practitioner, genetic counsellor, biomedical engineer, clinical biochemist, medical biological scientist, medical physicist, medical scientist, medical assistant, clinical officer, rural medical aid, ophthalmic assistants, and to every dentist and oral hygienist, in terms of this subregulation, five "Nomination Forms" substantially in the form of FORM 2; and
- (e) advising the address where additional nomination forms may be obtained.

(2) The final date for the submission of nominations to the returning officer to be specified in terms of subregulation (1)(b) must be a date not less than 30 days, and not more than 60 days, after the date of the publication in the *Gazette* of the notice of "Invitation for Submission of Nomination of Candidates for the First Election of Members of the Medical and Dental Council of Namibia" referred to in subregulation (1).

- (3) A person referred to in subregulation (1) of this regulation -

- (a) may return the Nomination Form or Nomination Forms concerned, duly completed, to the returning officer at any time after the date of publication of the notice in the *Gazette* in terms of that subregulation; and
- (b) must return the Nomination Form or forms referred to in paragraph (a) to the returning officer in such a manner that it is, or that they are, received by the returning officer on or before the closing time on the final date for submission of the Nomination Forms specified in the notice referred to in that paragraph.

Eligibility for election as a member of the Council and nomination as candidate

4. (1) No person may be nominated as a candidate for election as a member of the Council unless he or she -

- (a) is registered as a medical practitioner or as a dentist, as the case may be;
- (b) is not disqualified in terms of section 8 of the Act to be elected as such a member.

(2) The nomination of a person as a candidate for election as a member of the council is not valid, unless -

- (a) the nomination is made -
 - (i) in respect of the nomination of a medical practitioner for election, by any two persons who are registered as medical practitioners, genetic counsellors, biomedical engineers, clinical biochemists, medical biological scientists, medical physicists, medical scientists, medical assistants, clinical officers, rural medical aids, or ophthalmic assistants, who are Namibian citizens and are ordinarily resident in Namibia; and
 - (ii) in respect of the nomination of a dentist for election, by any two persons who are registered as dentists or oral hygienists, and who are Namibian citizens and are ordinarily resident in Namibia,

substantially in the form of FORM 2 ("Nomination Form"), duly completed;

- (b) the Nomination Form referred to in paragraph (a) is submitted or sent to the returning officer so as to be received by that returning officer before the closing time on the final date for submission of nominations to the returning officer as specified, in terms of regulation 3(1)(b), in the relevant FORM 1 ("Invitation for Submission of Nomination of Candidates for the First Election of Members of the Medical and Dental Council of Namibia") referred to in regulation 3(1) and as published by notice in the *Gazette*;
- (c) the persons who make the nominations, state in the relevant FORM 2 ("Nomination Form") referred to in paragraph (b) their full names, addresses and capacities as they appear in the register concerned, and sign such form; and
- (d) the person nominated as a candidate and whose name appears as such in the relevant FORM 2 ("Nomination Form") submitted to the returning officer pursuant to paragraph (b) -
 - (i) signifies his or her consent to the nomination in writing, either by means of his or her signature on such Nomination Form, or by means

of a separate letter, telegram or facsimile, which must be submitted or sent to the returning officer at his or her address as it appears in the relevant FORM 1 ("Invitation for Submission of Nomination of Candidates for the First Election of Members of the Medical and Dental Council of Namibia") referred to in paragraph (b), so as to be received by the returning officer not later than the closing time on the final date for the submission of nominations referred to in that paragraph (b); and

(ii) complies with subregulation (9).

(3) The nomination of a person as a candidate for election as a member of the Council is not valid if more than one person is so nominated on the same Nomination Form.

(4) A medical practitioner, genetic counsellor, biomedical engineer, clinical biochemist, medical biological scientist, medical physicist, medical scientist, medical assistant, clinical officer, rural medical aid, ophthalmic assistant, or a dentist or an oral hygienist, as the case may be, who is a Namibian citizen and is ordinarily resident in Namibia, may sign and submit Nomination Forms for not more than five candidates to be elected as members.

(5) If any of the persons referred to in subregulation (4) signs and submits to the returning officer more than one Nomination Form referred to in that subregulation, those persons must number such Nomination Forms in the order of priority relating to the candidates so nominated.

(6) If any of the persons referred to in subregulation (4) signs and submits to the returning officer more than five Nomination Forms in respect of the medical practitioners or in respect of the dentists, as the case may be, to be elected as members of the Council, the returning officer must -

- (a) accept as valid nominations only the first five nominations of medical practitioners or of dentists, as the case may be, to be so elected; and
- (b) reject the nominations received subsequent to the nominations accepted as valid nominations in terms of paragraph (a).

(7) If -

- (a) any person referred to in subregulation (4) submits to the returning officer more than five Nomination Forms in respect of medical practitioners or of dentists, as the case may be, to be elected as members of the Council; and
- (b) the returning officer is unable to determine the sequence in which the relevant Nomination Forms were submitted by the person making the nominations referred to in paragraph (a),

the returning officer must reject all the Nomination Forms submitted by that person.

(8) A person nominated as a candidate in terms of this regulation, whether or not he or she has signified his or her consent to such nomination in terms of paragraph (d) of subregulation (2), may withdraw, at any time before the closing time on the final date for the submission of nominations referred to in paragraph (b) of that subregulation, his or her candidature by means of a written notice under his or her signature and delivered to the returning officer before such closing time on such date.

(9) A person nominated as a candidate in terms of this regulation and who has signified his or her consent to such nomination in terms of paragraph (d) of subregulation (2), must submit in writing to the returning officer, not later than ten days after the closing time on the final date for submission of nominations referred to in paragraph (b) of that subregulation -

- (a) full particulars of his or her academic qualifications;
- (b) the period of time or the periods of time that he or she practised or has been practising his or her profession, and the address or addresses where he or she so practised such profession or is so practising such profession;
- (c) the period of time or the periods of time that he or she has been employed by any employer in his or her profession, or was so employed or is so being employed, the name and address or the names and addresses of that employer or those employers who so employed him or her, or where he or she is so being employed;
- (d) the capacity in which he or she was or is being employed by each of the respective employers referred to in paragraph (c), and his or her main functions and responsibilities when so employed; and
- (e) a mission statement in which he or she sets out briefly what he or she intends to achieve as a member of the Medical and Dental Council of Namibia,

including a colour passport photograph of him or her, which photograph must have been taken not more than 12 months before the date of the submission to the registrar of the Nomination Form concerned, and as proof of his or her Namibian citizenship, a certified copy of his or her identity document or of his or her birth certificate or of his or her certificate of citizenship.

(10) A candidate who fails to comply with subregulation (9) must be regarded as having withdrawn from the election.

Nomination list and voting date

5. (1) If the number of medical practitioners or dentists, as the case may be, validly nominated as candidates in terms of regulation 4 -

- (a) is equal to the number of medical practitioners or of dentists, as the case may be, to be elected as members of the Council, the medical practitioners or the dentists, as the case may be, so nominated must be regarded as having been duly elected as such members and no election must be conducted in respect of the election of medical practitioners or of dentists, as the case may be, as members of the Council;
- (b) is less than the number of medical practitioners or of dentists, as the case may be, to be elected as members of the Council, the medical practitioners or the dentists, as the case may be, so nominated must be regarded as having been duly elected as members of the Council, no election must be conducted and the Minister may appoint, in accordance with section 7(7)(b) of the Act, the remaining members of the Council required to be elected pursuant to section 7(1)(d) of the Act.

(2) If the number of medical practitioners or dentists, as the case may be, validly nominated as candidates in terms of regulation 4 exceeds the number of medical practitioners or of dentists, as the case may be, to be elected as members of the Council, an election for the purpose of electing five medical practitioners or five dentists, as the case may be, as members of the Council must be conducted in accordance with these regulations and for which purpose the returning officer must publish in the *Gazette* a notice -

- (a) stating the names of the medical practitioners or of the dentists so nominated;
- (b) notifying that the first election for the members of the Council must be held;
- (c) specifying the final date for the casting of votes in accordance with regulation 6, including the time on such date before which votes must be cast; and
- (d) specifying the address where ballot papers for the purpose of such election may be obtained.

(3) The date specified in terms of paragraph (c) of subregulation (2) must be a date not less than 30 days, and not more than 60 days, after the date of the publication of the notice in terms of that subregulation.

(4) Not less than 30 days before the date specified in terms of paragraph (c) of subregulation (2), the returning officer must forward by prepaid registered post to the address of every qualified voter as it appears in the register concerned, or deliver to every qualified voter by hand -

- (a) a ballot paper substantially in the form of FORM 3 ("Interim Medical and Dental Council of Namibia: Ballot Paper for the First Election of Members of the Medical and Dental Council of Namibia"), in which ballot paper the names of the applicable candidates have been printed;
- (b) an identification envelope which bears a declaration substantially in the form of FORM 4 ("Interim Medical and Dental Council of Namibia: Form of Declaration on Identification Envelope"); and
- (c) the particulars of each candidate as submitted by that candidate in terms of regulation 4(9)(a), (b), (c), (d) and (e).

(5) If a ballot paper or an envelope forwarded to a qualified voter in terms of subregulation (4) is lost, destroyed or spoilt, the returning officer, if satisfied that the envelope or the ballot paper is so lost, destroyed or spoilt, must forward or submit, at the written request of the qualified voter concerned, to that qualified voter a fresh ballot paper or envelope, or both.

(6) Every ballot paper must bear a secret mark affixed to it by the returning officer, which secret mark must be so affixed before the ballot paper is handed or sent to a qualified voter.

Manner of voting

6. (1) A qualified voter, when casting his or her vote at the election of the members of the Council, must -

- (a) mark the ballot paper with a cross ("X") next to the name of each candidate for whom he or she is voting, but must not mark such ballot paper with more than five crosses for the medical practitioners or more than five crosses for the dentists, as the case may be, to be elected as members of the Council;
 - (b) insert the ballot paper, folded face inwards, into the identification envelope and seal such envelope;
 - (c) sign, in the presence of a witness, the declaration printed on the identification envelope, which witness must also sign the envelope in the presence of that qualified voter; and
 - (d) insert the identification envelope into a covering envelope and forward such covering envelope by prepaid registered post, or deliver it, to the returning officer, so as to be received at the address of the returning officer before the time on the final date specified in terms of regulation 5(2)(c).
- (2) A voter must be regarded as having invalidated his or her ballot paper, and the votes on such ballot paper must not be counted, if he or she -
- (a) votes for more than five medical practitioners or for more than five dentists, as the case may be, to be elected as members of the Council; or
 - (b) votes for a person who has not been validly nominated and whose name does not appear on the ballot paper; or
 - (c) votes more than once for the same candidate or returns more than one ballot paper; or
 - (d) does not clearly indicate the candidate, or any of the candidates, for whom he or she is voting; or
 - (e) marks the ballot paper in any manner other than by means of a cross ("X").
- (3) A qualified voter -
- (a) may vote in accordance with subregulation (1) at any time after the receipt of the ballot paper forwarded to him or her in terms of regulation 5(4); and
 - (b) must vote in accordance with subregulation (1), and must submit his or her ballot paper to the returning officer, at any time before the time on the final date specified in terms of regulation 5(2)(c).
- (4) No vote on a ballot paper must be counted unless such ballot paper -
- (a) when received by the returning officer, is enclosed in the identification envelope concerned; and
 - (b) is received at the address of the returning officer before the time on the final date specified in terms of regulation 5(2)(c).
- (5) The witness referred to in subregulation (1)(c) must be a person of not less than 21 years of age and who has not been declared mentally ill by a competent court in terms of the Mental Health Act, 1973 (Act No. 18 of 1973).

Counting of votes

7. (1) The returning officer must -

- (a) keep in safe custody all the identification envelopes received by him or her pursuant to regulation 6(1)(d); and
- (b) not open, unless in accordance with subregulation (3), any identification envelope.

(2) The Minister must appoint in writing, at the written request of the returning officer, as a scrutineer any person whom he or she considers to be a suitable person for such purpose, which person must perform such functions relating to the election of the members of the Council as set out in these regulations and as the Minister may determine and specify in such written appointment.

(3) As soon as practicable after the final date specified in terms of regulation 5(2)(c), the returning officer, in conjunction with, and in the presence of, the scrutineer appointed in terms of subregulation (2), must -

- (a) examine each identification envelope duly received before the specified time on such final date, to verify whether the declaration on such envelope has been signed by a qualified voter and by a competent witness in accordance with regulation 6(1)(c);
- (b) open every identification envelope he or she is satisfied as having been signed as required by paragraph (a);
- (c) remove every ballot paper, kept folded, from every identification envelope referred to in paragraph (b) and insert every folded ballot paper into a closed ballot box with an aperture for inserting such ballot papers;
- (d) when all the ballot papers have been inserted into the ballot box in accordance with paragraph (c), open the ballot box, examine the ballot papers and separate the invalidated ballot papers from the valid ballot papers;
- (e) count the votes on the valid ballot papers to ascertain the number of valid votes recorded for each candidate; and
- (f) compile, as soon as possible after the final date for the casting of votes determined in terms of regulation 5(2)(c), a list of the medical practitioner candidates and a separate list of the dentist candidates in order of the number of votes received by each of those candidates, commencing with the candidate who received the highest number of votes and ending with the candidate who received the lowest number of votes.

(4) The five candidates who are medical practitioners and the five candidates who are dentists, as the case may be, who received the highest number of votes must be regarded as having been duly elected as members of the Council.

(5) In the event of the number of votes recorded for any two or more candidates being equal, and if such equality of votes affects the outcome of the election, the returning officer must determine, in the presence of the scrutineer, by lot which of the candidates having received equal votes must be declared duly elected as a member or as members of the Council.

(6) Any candidate, or a representative appointed by him or her in writing for such purpose -

- (a) may be present during the proceedings by the returning officer and the scrutineer in accordance with subregulations (3), (4) and (5); and
- (b) must not intervene in or render any assistance relating to the proceedings referred to in paragraph (a), at any point in time, unless upon the specific instructions or request of the returning officer.

(7) The returning officer must furnish the registrar, as soon as practicable after the counting of the votes in accordance with subregulation (3) -

- (a) in writing with the names of the persons elected as members of the Council in the election conducted in accordance with these regulations, confirmed in writing by the scrutineer appointed in terms of subregulation (2); and
- (b) with the identification envelopes, ballot papers and list of candidates referred to in subregulation (8).

(8) The registrar must keep -

- (a) all the identification envelopes referred to in subregulation (3)(a);
- (b) all other identification envelopes received after the date and time referred to in subregulation (3)(a), but must not open such identification envelopes;
- (c) all the valid ballot papers and the invalidated ballot papers received, which valid ballot papers and invalidated ballot papers must be kept separately; and
- (d) the list of the candidates compiled in accordance with subregulation (3)(f),

in safe custody for a period of not less than six months after the date of the receipt thereof pursuant to subregulation (7).

General

8. (1) All the nomination forms, ballot papers and other forms and documents referred to in these regulations must be completed or signed or marked, as the case may be, in ink or with a ballpoint pen by the person completing, signing or marking such nomination form, ballot paper, other form or document.

(2) Any nomination form, ballot paper, other form or document referred to in subregulation (1) which is completed or signed or marked in any way other than by means of ink or with a ballpoint pen, must be regarded as invalid *ab initio*.
